

This Is Love

PJ Harvey

I can't believe life's so complex
When I just wanna sit here and watch you undress
I can't believe life's so complex
When I just wanna sit here and watch you undress This is love, this is love, that I'm feelin'
This is love, this is love, that I'm feelin'
This is love, love, love, that I'm feelin' Does it have to be a life full of dread?
Wanna chase you 'round the table, wanna touch your head
Does it have to be a life full of dread?
Wanna chase you 'round the table, wanna touch your head This is love, this is love, that I'm feelin'
This is love, this is love, that I'm feelin'
This is love, love, love, love, that I'm feelin' I can't believe that the axis turns
On sufferin', when you taste so good
I can't believe that the axis turns
On sufferin', when my head it burns Now, love, love, love, that I'm feelin'
This is love, this is love, that I'm feelin'
This is love, love, love, love, that I'm feelin' Even in the summer, even in the spring
You'll never get too much of wonderful thing You're the only story that I've never told
You're my dirty little secret, wanna keep you so
You're the only story that I've never been told
You're my dirty little secret, wanna keep you so Come on out, come on over, help me forget
Keep the walls from fallin' as they're tumblin' in
Come on out, come on over, help me forget
Keep the walls from fallin' on me tumblin' in
Keep the walls from fallin' as they're tumblin' in This is love, this is love, that I'm feelin'
This is love, this is love, that I'm feelin'
This is love, this is love, that I'm feelin'
This is love, love, love, love, that I'm feelin' This is love, love, love, that I'm feelin'
This is love, love, love, that I'm feelin'
This is love, love, love, love, that I'm feelin'
This is love, this is love, that I'm feelin'
