

# Chasing You (LP Version)

## Seven Mary Three

No communication with you

Words don't believe

The things they mean

Mean what you say

Say who you areNo communication with you

This silence is thick

But listen close

I'm crawling through

Your radioI can't keep a thought?

Am I?

Chasing you, chasing you out

Chasing you, chasing you outNo communication with you

Tired of things

We can't control

We want them fixed

CompatibleNo communication with you

The moment you leave

The truth explodes

From underneath

Her hiding placeI can't keep a thought?

Am I?

Chasing you, chasing you out

Chasing you, chasing you outIt's make believe

It's in your mind

Always in your mind

It's deafening

Distance between

Conditioning

You and II can't keep a thought?

Am I?

Chasing you, chasing you out

Chasing you, chasing you out
