

Wishing (Live and Acoustic)

Tantric

No need to look around
There's no one here but you
So I scream without a sound
And hope that it gets through Time is clamping down
It's getting hard to breathe
I can't imagine how to live my life without relief 'Cause I've been wishing so hard
Tell me that you relate
You want something so bad every time
It's too long to wait 'Cause I've been wishing so hard
Tell me that you think that it's true
'Cause everything I've been wishing for
I had in me, in you, oh There's nothing left to save
There's nothing left to do
Just turn and walk away
And I'll do the same thing too And when you're all alone
Waiting for a call
There'll be nobody home
Nobody there for you at all 'Cause I've been wishing so hard
Tell me, can you relate?
You want something so bad anytime
It's too long to wait 'Cause I've been wishing so hard
But tell me if you think that it's true
'Cause everything I've been wishing for
I had in me, in you Oh, 'cause I've been waiting for this life long enough
To survive three lives but I won't give up
This blood, sweat, and tears I've given through the years
I've overcome the fears, too much is never enough I think I'm wasting my time
I think I'm losing my mind, yeah
I think I'm wasting my time
I know I'm losing my mind, yeah Tell me, can you relate?
Oh, when the time is too long to wait 'Cause I've been wishing so hard
Tell me, can you relate?
You want something so bad anytime
It's too long to wait 'Cause I've been wishing so hard
Tell me if you think that it's true
'Cause everything I've been wishing for
I found in me, in you 'Cause I've been wishing so hard
Tell me, can you relate?
You want something so bad anytime

It's too long to wait 'Cause I've been wishing so hard
But tell me if you think that it's true
'Cause everything I've been wishing for
I had in me, in you, in you, in you
