Careless Whisper

Kenny G

I feel so unsure

As I take your hand and lead you to the dance floor

As the music dies, something in your eyes

Calls to mind the silver screen

And all those sad good-byesI'm never gonna dance again

Guilty feet have got no rhythm

Though it's easy to pretend

I know you're not a foolShould've known better than to cheat a friend

And waste this chance that I've been given

So I'm never gonna dance again

The way I danced with youTime can never mend

The careless whispers of a good friend

To the heart and mind, ignorance is kind

There's no comfort in the truth

Pain is all you'll findI'm never gonna dance again

Guilty feet have got no rhythm

Though it's easy to pretend

I know you're not a foolShould've known better than to cheat a friend

And waste this chance that I've been given

So I'm never gonna dance again

The way I danced with youWe could have been so good together

We could have make this last forever

But no one's gonna dance with me

Please stay, stay, stayI can't pretend no more

Know you're not a fool to cheat a friend

The way I danced with

I'm never gonna dance

I'm never gonna dance again

I'm never gonna dance again
