No Such Thing

Agent Orange

There's no such thingYou're kind of acting strange to me
You really shouldn't be so rude
I think I've seen you change your mind before
Never seen you change your moodEverybody got away from me
Don't everybody push and shove
Everybody stop asking me
I'm telling you I'm not in loveThere's no such thing
Doesn't matter to me
I know there's no such thing
Isn't that a relief to know there's no such thing?Hey you! Snap out of it
It's time for you to act your age
No you're never going to get your way
So break into a screaming rageA good excuse to start a non-stop teenage romance
Turning love into lust
I'm only looking for somebody to talk to
Somebody that I can trustThere's no such thing
Doesn't matter to me
There's no such thing
Isn't that a relief to know there's no such thing?There's no such thingThere's no such thing
No such thing
There's no such thing
There's no such thingThere's no such thing
There's no such thing
There's no such thing
I'm telling you the truth should never be concealed, yeah
