

4AM Forever

Lostprophets

Yesterday I lost my closest friend

Yesterday I wanted time to end

I wonder if my heart will ever mend

I just let you slip away

4 A-M forever Maybe I'll never see you smile again

Maybe we thought that it was all pretend

All these words that I could never send

I just let them slip away

4 AM forever Why don't you hear me when I'm calling out to you (to you)

Why don't you listen when I try to make it through (to you)

Goodbye, goodbye, goodbye, you'll never know

Hold a little tighter

4 A-M forever Maybe one day when I can move along

Maybe someday when you can hear this song

You won't let it slip away

4 AM forever And I wish the sun would never come

It's 4 A-M and you are done

I hope you know you're letting go

It's 4 A-M and I'm alone Why don't you hear me when I'm calling out to you (to you)

Why don't you listen when I try to make it through (to you)

Goodbye, goodbye, goodbye, you'll never know

Hold a little tighter Why don't you hear me when I'm calling out to you (to you)

Why don't you listen when I try to make it through (to you)

Goodbye, goodbye, goodbye, you'll never know

Hold a little tighter

4 A-M forever
