

In The Morning

[Fran Healy](#)

In the morning
In the morning
In the morning light
I'm gonna see it
Gonna see it
Gonna see it right
Yeah in the morning
Yeah in the morning
I'm gonna see it right
In the middle
In the middle
In the middle of night
Toss and turn
Toss and turn
Keep switching on the light
Yeah in the morning
Yeah in the morning
I'm gonna see it Again and again and
Again and again and again
I wake up feeling lonely
In the middle of a dream
I wonder if I'm ever
Gonna to make it to the end
The end the end the end the end
And now and then I see you
In the corner of a bar
Reflected in a mirror with a stranger in a car
I promise that I'll leave you
If you tell me where you are
You are you are you are the air
And yeah in the morning
Yeah in the morning
I'm gonna see it right
