RespectIf, if, if, if, if
If you ever change your mind
Only turn back the hands of time
Cross my heart and hope to die
I don't wanna see you cry
I don't wanna see you cryCan't take this one side affair
I know for you it's much to bear
When you're drowning in despair
Just know I'll always be right there
Right there, right there, right there
(Verme)No, no, don't want no more
Maybe you're gonna regret it someday
You feel that you'd be better off
But it's still your loss
And you know it, take it
Take it as a lossYou'll regret the very thing
When you just up and left
You can act you're better off
But it's still your loss
You'll regret it, regret, regretNo ser fcil olvidarte de m
Yo te hice feliz, lo sabes, lady
Ya te lo adverti, te quiero a ti
No pienses que yo ir por tiNow you're calling, you're feeling lonely
Hoy sentirs lo que yo senta por ti
Se que hay un dolor y un vaco muy dentro de ti
Pero fue lo que decidiste, ladyQue quieres de m
Recuerda de que al fin
Arrepentida vuelves t aqu
Necesitas verme y regresas por m
Se que te mueres por mi
No puedes olvidarme
Estoy en tu pielLo sabes bien
No quieres perder
Ni un minuto sin m ser
Arrepentida estas, no finjas masVerme no quieres mas, y tal vez

Te arrepentirs, yo se
Sers tu quien perders
Sers t, t lo sabesVerme no quieres mas, y tal vez
Te arrepentirs, yo se
Sers tu quien perders
Sers t, t lo sabesEverybody need to take time to reflect
Take time to put things in prospect
Soon as you realize
And start to regretAnd get a better hope
And get a better hope
And get a better hopeCorrect, correct
