

# I'm Yours

Casey J

We belong to you lord  
We belong to you  
So your song flow through my lips  
Your work move through my hands  
Your thought stay on my mind  
Live in me  
Your song flow through my lips  
Your work move through my hands  
Your thought stay on my mind  
Live in me

And you can have all of me  
Have all of me  
Have all of me  
'Cause I'm yours  
And give you all of me  
Give you all of me  
God here's all of me  
I'm your  
God I'm yours
