Let It Ride

Toothgrinder

Running from afar
Always searching for a rose with the biggest stone
Rabbit chasing the high, well I can almost relate
To the freedom or I'm a wizard am I?Well I'ma give him some tough shit
I'm wicked, I'm worn
I been living it right
Always picking myself up from the floorFuck your kisses, do not laugh so listen
Walk around your world in quiet piece
Yeah, I wanna be your god
Yeah, I wanna get inside
Yeah, I wanna let it ride
Yeah, I wanna let it ride
I'm the king of the sky
Always fly when the dark dots the eye of the storm
I been chasing a high
I would throw out the pain for a taste of the warmGot my laser to launch
I'ma leave it, some tough shit
I'm broken, I'm worn
I'ma let it ride
Always picking myself up off the floorFuck your kisses, do not laugh so listen
Walk around your world in quiet piece
Yeah, I wanna be your god
Yeah, I wanna get inside
Yeah, I wanna let it ride
Yeah, I wanna let it ride
Yeah, I wanna be your god
Yeah, I wanna get inside
Yeah, I wanna let it ride
Yeah, I wanna let it ride
