

# Where or When

**Frank Sinatra, Dean Martin**

It seems we stood and talked like this before  
We looked at each other in the same way then  
    But I can't remember where or when

The clothes you're wearing are the clothes you wore  
The smile you are smiling you were smiling then  
    But I can't remember where or when

Some things that happen for the first time  
    Seem to be happening again  
And so it seems that we have met before  
    And laughed before  
    And loved before  
But who knows where or when
