Ringing Bells

Masta Killa

Stick around your neck and see what it can bring
Lonely stands the butcher on the ground
Little Angel fly, fly among the stars
Jupiter will comfort you with loveSo who are you gonna follow? Are you going out somewhere?
Can it be the new thing, money enough
Wheres that hat you loved once?, Let us spoil it for a day
"Bring em in" she said, just for a day, just for a dayOn the way to you, between busy moon
Crash beneath a window left in bloom
The days are few my friend and winter comes again
Clap, clap and the boy is to looseSo who are you gonna follow? Are you going out somewhere?
Can it be the new thing, money enough
Wheres that hat you loved once?, Let us spoil it for a day
"Bring em in" she said, just for a day, just for a day"Bring em in" she said, "I said just bring em in" she said
Ringing bells in Saxton and Oakland bringing you home
Ringing bells in Saxton and Oakland bringing you home
Come on and
Ringing bells in Saxton and Oakland bringing you home
Ringing bells in Saxton and Oakland bringing you home
