

# Ringin' Bells

## Masta Killa

Stick around your neck and see what it can bring  
Lonely stands the butcher on the ground  
Little Angel fly, fly among the stars  
Jupiter will comfort you with love So who are you gonna follow? Are you going out somewhere?  
Can it be the new thing, money enough  
Wheres that hat you loved once?, Let us spoil it for a day  
"Bring em in" she said, just for a day, just for a day On the way to you, between busy moon  
Crash beneath a window left in bloom  
The days are few my friend and winter comes again  
Clap, clap and the boy is to loose So who are you gonna follow? Are you going out somewhere?  
Can it be the new thing, money enough  
Wheres that hat you loved once?, Let us spoil it for a day  
"Bring em in" she said, just for a day, just for a day "Bring em in" she said, "I said just bring em in" she said  
Ringin' bells in Saxton and Oakland bringing you home  
Ringin' bells in Saxton and Oakland bringing you home  
Come on and  
Ringin' bells in Saxton and Oakland bringing you home  
Ringin' bells in Saxton and Oakland bringing you home
