He's got a brand new car

Looks like a jaguar

It's got leather seats

It's got a CD playerBut I don't wanna talk about it anymoreI think we're gonna make it

I think we're gonna save it

So don't you try and fake it

Anymore, anymoreWe'll start over again

Grow ourselves new skin

Get a house in Devon

Drink cider from a lemonBut I don't wanna talk about it anymoreI think we're gonna make it

I think we're gonna save it

So don't you try and fake it

Anymore, anymoreI think we're gonna make it

I think we're gonna save it

So don't you try and fake it

Anymore, anymoreHe's got a brand new car

He's got a brand new carI think we're gonna make it

I think we're gonna save it

So don't you try and fake it

Anymore, anymoreI think we're gonna make it

I think we're gonna save it

So don't you try and fake it

Anymore, anymore
