

# You Remain

Brandon Grissom

Versel:

I fix my eyes on You  
I fix my eyes on You  
The one true light  
That overcomes the night  
I fix my eyes on You

Chorus:

Your life is the light of all people  
You shine the darkness away  
Though the world is wounded and broken  
Jesus You remain

Versel2:

I give my life to You  
I give my life to You  
The son of man  
With nailed scarred hands

Chorus:

Your life is the light of all people  
You shine the darkness away  
Though the world is wounded and broken  
Jesus You remain, Jesus You remain, Jesus You remain

Bridge:

As I remain in You  
You remain in me
