

(Hey Baby) Que Paso

The Texas Tornados

Hey, baby, que paso?
Thought I was your only vato
Hey, baby, que paso?
Please don't leave me de ese modoCome on, baby, turn around
Let me see your pretty blue eyes
Don't you know that I love you
Please don't leave me de ese modoHey, baby, que paso?
Thought I was your only vato
Hey, baby, que paso?
Won't you give uno beso?Hey, baby, que paso?
Thought I was your only vato
Hey, baby, que paso?
Please don't leave me de ese modoCome on, baby, turn around
Let me show you how I feel
Don't you that I love you
And my corazon is realHey, baby, que paso?
Thought I was your only vato
Hey, baby, que paso?
Won't you give uno beso?Hey, baby, que paso?
Thought I was your only vato
Hey, baby, que paso?
Please don't leave me (disun poco)Hey, baby, que paso?
Thought I was your only vato
Hey, baby, que paso?
Won't you give uno beso?Hey, baby, que paso?
Thought I was your only vato
Hey, baby, que paso?
