Carrying Your Love With Me

George Strait

Baby all I got's this beat up leather bag And everything I own don't fill up half But don't you worry 'bout the way I pack All I care about is gettin' back, real soon A goodbye kiss is all I need from you'Cause I'm carrying your love with me West Virginia down to Tennessee I'll be movin' with the good Lord's speed Carrying your love with meIt's my strength for holding on Every minute that I have to be gone I'll have everything I'll ever need I'm carrying your love with meOn a lonely highway stuck out in the rain Darlin' all I have to do, is speak your name The clouds roll back and the waters part The sun starts shinin' in my heart for you You're right there in everything I do'Cause I'm carrying your love with me West Virginia down to Tennessee I'll be movin' with the good Lord's speed Carrying your love with meIt's my strength for holding on Every minute that I have to be gone I'll have everything I'll ever need I'm carrying your love with meI'm carrying your love with me West Virginia down to Tennessee I'll be movin' with the good Lord's speed Carrying your love with me
