Home For Christmas

Liam McFadden

[Aundrea]Dashing through the snow
In a one horse open sleigh
O'er the fields we go
Laughing all the way
[Shannon]I look out the window, and see it starts to snow, the neighbor's puttin' up Santa's,
The Christmas lights gettin' hung up.
[Aubrey]Sadness falls in my face, knowing you ain't home today.
It's been so long since I've seen your face, way to long for a warm embrace.
[DK]Why won't you come today?
On Christmas day?
[CHORUS]I want you home, I want you home for Christmas
I want you home, I want you home on Christmas Day.
To hold my hand and be with me for Christmas,
I want you home, I want you home on Christmas Day.
I want you home, I want you home for Christmas
I want you home, I want you home on Christmas Day.
To hold my hand and be with me for Christmas,
I want you home, I want you home on Christmas Day.
[Aundrea]It's hard to be alone, buy your presents when you're gone.
For you to see your child's face, to hold your family-just one day.
[Dawn]Haven't you put up the tree?
Hangin' mistletoe just to kiss me.
To dress like Santa so the kids, won't know we bought the presents.
I don't wanna stay away

[DK (D. Woods)]Why won't you come today? (I want you home.)
On Christmas Day? ('Cause I miss you.)
[CHORUS]I want you home, I want you home for Christmas
I want you home, I want you home on Christmas Day.
To hold my hand and be with me for Christmas,
I want you home, I want you home on Christmas Day.
I want you home, I want you home for Christmas
I want you home, I want you home on Christmas Day.
To hold my hand and be with me for Christmas,
I want you home, I want you home on Christmas Day.
[DK]I wish upon a star, that wherever you are,
you will think of me, you will think of me,
[Aundrea]Think of me . .
[CHORUS]I want you home, I want you home for Christmas

I want you home, I want you home on Christmas Day.
To hold my hand and be with me for Christmas,
I want you home, I want you home on Christmas Day.
I want you home, I want you home for Christmas
I want you home, I want you home on Christmas Day.
To hold my hand and be with me for Christmas,
I want you home, I want you home on Christmas Day.
I want you home, I want you home for Christmas
I want you home, I want you home on Christmas Day.
To hold my hand and be with me for Christmas,
I want you home, I want you home on Christmas Day.
I want you home, I want you home for Christmas
I want you home, I want you home on Christmas Day.
To hold my hand and be with me for Christmas,
I want you home, I want you home on Christmas Day.
