

# My New Favorite Song

## Angela Predhomme

Iâ€™m just swimming in ecstasy  
Every time you pull me close  
Last night seems like a dream to me  
Hereâ€™s what I remember most  
We could hear that music playing loud out on the town  
Canâ€™t recall the words, but darlinâ€™, thatâ€™s my new favorite song

(chorus)  
It went like  
doo doo dooâ€™  
Doo doo dooâ€™  
â€™my favorite song

(verse 2)  
Youâ€™re front row for my fantasy  
Youâ€™re making it all unfold  
Last night it became clear to me  
You and I from the same mold  
And we were free and flying on the sound of that sweet song  
Oh it felt so good when you and I were singing along

(chorus)  
It felt like  
doo doo dooâ€™  
Doo doo dooâ€™  
â€™my favorite song

(bridge)  
Now that melody plays on and on in my head  
Taking me straight back to that charmed night that we had

(break w/ hand claps)  
(repeat chorus)
