

Boombox

Bassnectar

Blas-blas-blas-blas-blast out Blast out, speakers, I am the seeker
Blast out, speakers, I am the seeker
Blast out, speakers, I am the seeker
(Bang this future world) Best kept secret Spit heat rocks on the track-track
Spit heat rocks on the track, or a boombox
Spit heat rocks on the track, or a boombox,
seat hot, cuz we won't try to be where sheet knock
Spit heat rocks on track, track-track (Boomboxx)
Spit heat rocks on the track, or the boombox (boombox)
Seat hot, blablablast out
Blast out speakers, I am the seeker.
Bang this future world, best kept secret
Boom, boom, boom, boombox.
Boom boom.
Seat hot, blablablablast out.
There's nothin in life that I can't achieve, cuz there's nothin in life that I can't achieve.
Cuz there's nothin in life that blas-blast out
Blast out speakers, I am the seeker. Bang this future world, best kept secret
Blablablablast out
