

# Love Won't Wait

Gary Barlow

When I first saw your face  
Knew that I could not hesitate  
You said, "Baby don't go too fast  
If we do then it may not last" Time went on and I waited for you  
I didn't know what else I could do  
What else should I do?  
I thought that we'd always be together  
You said, "Hold on, it just gets better" And I believed you, I kept holding on  
You think that I can never leave you  
You think I'm not that strong, you're wrong Love won't wait, love won't wait  
Forever and a day, love won't wait  
Love must live in the here and now  
Don't ask me how I know So, here I am with my heart on my sleeve  
You said, "Baby put your trust in me"  
But I have come to the end of the line  
And you've wasted up all of my precious time Wanted to be something special to you  
Everybody's somebody's fool, won't be a fool  
No, you've got me all wrong, you've got me all wrong  
You don't know what you have till it's gone And I believed you, I kept holding on  
You think that I can never leave you  
You think I'm not that strong, you're wrong Love won't wait, love won't wait  
Forever and a day, love won't wait  
Love must live in the here and now  
Don't ask me how I know Love takes time, love takes time  
But you've been takin' too long, take too long  
Time never waited for anyone, don't wait too long  
Or I'll be gone, don't wait too long, I'll be gone, I'll be gone Or there, there wasn't anything that I wouldn't do  
And you, you led me on, you even said, "I love you"  
I love you, baby, how can we go on when it's tearin' us apart  
How can we love, are you going to break my heart?  
'Cause I believed you Love won't wait, love won't wait  
Forever and a day, love won't wait  
Love must live in the here and now  
Don't ask me how I know Love takes time, love takes time  
But you've been takin' too long, take too long  
Time never waited for anyone, don't wait too long  
Or I'll be gone, don't wait too long, I'll be gone, I'll be gone Love takes time, don't let this love  
Just pass by us, it's not too late  
You must choose, love is so hard to find

And so easy to lose
