

This Time I Know It's For Real (12" Version)

Donna Summer

What would I have to do
To get you to notice me too
Do I
Stand in line
One of a million
Admiring eyes Walk a tightrope way up high
Write your name across the sky I'm going crazy just to let you know
You'd be amazed how much I love you so, baby
When I get my hands on you I won't let go
This time I know it's for real Should I write or call your home
Shout it out with a megaphone
Radio, tv news
Got to find a way
To get the message to you To say I love you with a neon sign
Anything to make you mine I'm going crazy just to let you know
If I wait too long for you I might explode, oh baby
I've been around the block enough to know
This time I know it's for real Ooo baby
This time, this time, this time, this time
Oh baby
This time, this time, oh baby Walk a tightrope way up high
Write your name across the sky I'm going crazy just to let you know
You'd be amazed how much I love you so, oh baby
When I get my hands on you I won't let go
This time I know it's for real I'm going crazy just to let you know
If I wait too long for you I might explode, oh baby
I've been around the block enough to know
This time I know it's for real
