Maybe This Christmas

Shane Dawson

It?s Christmastime
And Santa?s here
Making the children smile
But he?s just a pedophile
So you better watch your child
Christmas tree?s in every house
Covered in shiny lights
But they just turn brown and die
Or set your whole house on fire
These are the reasons
I hate the season
But I?m a give it a try
Maybe this year I won?t be sad on Christmas
Maybe I?ll have a happy holiday
Replace my heartache and my pain
With mistletoe and candy canes
This Christmas could go my way
Having fun with all your friends
Sipping on that eggnog
But it just looks like j**z
All over your upper lips
House made out of gingerbread
Cookies like Christmas trees
Giving you heart disease
And type two diabetes

These are the reasons
I hate the season
But I?m a give it a try
Maybe this year I won?t be sad on Christmas
Maybe I?ll have a happy holiday
Replace my heartache and my pain
With mistletoe and candy canes
This Christmas could go my way
I?ve never seen reindeer fly
I?ve never heard the sleigh bells ring
Never seen a snowman come to life
I?ve never heard the angels sing
But I hope, and I pray

That maybe this Christmas day
That?ll change
Maybe this year I won?t be sad on Christmas
Maybe I?ll have a happy holiday
Replace my heartache and my pain
With mistletoe and candy canes
This Christmas could go my way
Maybe this year I won?t be sad on Christmas
Maybe I?ll have a happy holiday
Replace my heartache and my pain
Let?s just dance the night away
This Christmas is going my way
Just dance with me
