

Icky

They Might Be Giants

Everybody saying "Who's that icky guy?"

I'd like to get to know him

I want to be his best bud"

"No, I do, we can't both be his best bud"

Who's that sucking all the oxygen

Out of the place

First name: getting all up in your

Last name: face

First name: getting all up in your

Last name: face

He's coming over to your house and

Isn't gonna leave till you loan him something

You've got a nice pair of slacks which he takes but

Will only return one of them

Who's that sucking all the oxygen

Out of the place

First name: getting all up in your

Last name: face

First name: getting all up in your

Last name: face

Here, this is yours

I'm done with it, I brought it back

Don't know anything about some other slack

I only borrowed one slack

Who's that knocking over everything

Within reach?

Full-time occupation listed as "life-draining leech"

Who's that sucking all the oxygen

Out of the place

First name: getting all up in your

Last name: face

First name: getting all up in your

Last name: face
