

Stand Still, Look Pretty

The Wreckers, Michelle Branch, Jessica Harp

I want to paint my face
and pretend that I am someone else
Sometimes I get so fed up
I don't even wanna look at myself

But people have problems that are worse than mine
I don't want you to think I'm complaining all the time
And I hate the way you look at me I have to say
I wish I could start over

[Chorus]
I am slowly falling apart
I wish you'd take a walk in my shoes for a start
And you might think its easy being me
You just stand still, look pretty

Sometimes I find myself shaking
in the middle of the night
And then it hits me and I can't
even believe this is my life

But people have problems that are worse than mine
I don't want you to think I'm complaining all the time
And I wish that everyone would go an shut their mouth
I'm not strong enough to deal with it

[Chorus: x2]
