

Madame Van Damme

Lightspeed Champion

I've been waiting in this bedroom
And nothing seems to make this any easier
I think I'll take another shower Hopefully if I keep singing
Maybe this will all just go away, oh, oh
The next guy that walks through my door
Might strangle me and then I might be saved, oh, oh
San Paulo seems so far away right now Kill me, baby, won't you kill me?
Kill me, baby, won't you kill me?
Kill me, baby, won't you kill me?
Kill me, baby, won't you kill me? If my mother knew I'd sinned
She would pray I'd be abandoned
Not even church can save me now Hopefully if I keep singing
Maybe this will all just go away, oh, oh
The next guy that walks through my door
Might strangle me and then I might be saved, oh, oh
Shaerworl seems so far away right now Kill me, baby, won't you kill me?
Kill me, baby, won't you kill me?
Kill me, baby, won't you kill me?
Kill me, baby, won't you kill me? Oh, please lay down
Let me do my work
Oh, God, I hate my work Kill me, baby, won't you kill me?
Kill me, baby, won't you kill me?
Kill me, baby, won't you kill me?
Kill me, baby, won't you kill me? Kill me, baby, won't you kill me?
Kill me, baby, won't you kill me?
Kill me, baby, won't you kill me?
Kill me, baby, won't you kill me? I hate my work
Darling, oh
