

# One Blood, One Cuzz (feat. DJ Battlecat)

## Snoop Dogg

One Blood, one Cuzz  
Now put them all together, we got one love  
One Blood, one Cuzz  
Now put them all together, we got one  
One Blood, one Cuzz  
Now put them all together, we got on love  
One Blood, one Cuzz  
Now put them all together, we got one For God so loved the world he gave us a good Crip  
The late, great Neighborhood Nip  
Dippin' in this L.A. bullshit, 'bout as solid of youngsta as a nigga could get (Yup)  
Was nothin' like these thug phonies  
Was always showin' love and big respect for all the Blood homies (Whuttup!)  
You understood the values in the youth  
Man, I swear to God, nephew, you was the truth  
Damn, how could this nigga do this?  
It's 'cause every neighborhood Jesus, got a neighborhood Judas  
Who hate to see your team ridin' rich  
You see that envy and that pride  
That's that green eyed bitch  
Worse than a woman scorned (Damn)  
It'd be better for that man if he had never been born  
But Mary, don't you mourn, Martha, don't you weep  
You see, your son still affected us deep  
Give us the faith to take that leap  
One Blood, one Cuzz  
Now put them all together, we got one love  
One Blood, one Cuzz  
Now put them all together, you got one  
One Blood, one Cuzz  
Now put them all together, you got on love  
One Blood, one Cuzz  
Now put them all together, we got one All it take is one, one, one brave Blood and one brave Crip  
Standing up together like we did back on them slave ships  
Out on high sea waves, fighting other whips  
Steady hearing "Jesus saves" out of devils lips  
Shackled at the hips for the color of our skin  
Hundreds of us, yeah, we knew we was brothers then  
But here we go again, underneath the gun  
They got us thinkin' we all different when we (One)

So I'm givin' thanks to the gangstas, givin' praise to the neighbors  
Damus and Pirus, y'all got the whole world amazed  
Special shout out to the Hoovers for showin us how it's done  
Ain't nothin' greater when we unite as (One)  
Ain't got no ulterior motives and no other agendas  
Fakin' like you with us just like some puppet pretenders, we ready to end this  
For every eye that still cries  
It's time to realize God will rise when we tie us  
One Blood, one Cuzz  
Now put them all together, we got one love  
One Blood, one Cuzz  
Now put them all together, you got one  
One Blood, one Cuzz  
Now put them all together, you got on love  
One Blood, one Cuzz  
Now put them all together, you got oneOne Blood, one Cuzz, yeah  
One Blood, one Cuzz  
Now put them all together, you have one, one, one  
One Blood, one Cuzz  
Motherhood, brotherhood, ain't no other hood, just imagine if we all was one hood  
Now put them all together, you got one
