Something She Said

BÃ©la Fleck and the Flecktones

I'm in trouble, there's trouble everywhere I stare
I'm seeing double, I don't know where I left my head
It happened to me on a cool dark night twenty two nights ago
And I'm in trouble 'cause I just don't know how to let goNo, it wasn't in the way she swayed
No, it wasn't how she walked awayOh, yeah, it was something she said
Oh, yeah, it was something she saidI'd better get back to the place that I used to be
'Cause you're trouble and trouble's got a hold of me
Yeah, I'm in love with you and you know it's true
I think I told a lie before
I'm in trouble and trouble's all over my floorNo, it wasn't in the way she moved
No, it wasn't in the way she groovedOh, yeah, it was something she said
Oh, yeah, it was something she said
Something she said, oh, ohI don't know why I'm here, searching through this cloud
The words are coming in now but I don't hear any sound
I don't know why, no, I don't know why I'm hereOh, yeah, it was something she said
Oh, yeah, it was something she said
Something she said, something she said, oh
Something she said
