Tu Amor (Tu Amor)

No Mercy

Just like that
Mi amor, I'm not sure of the right words to say
Maybe these simple words will you best, best explain
What I feel in my heart, what I feel more each day
How to make you see, how to let you know
How to say, how to say how I love you so
With words you understand
Words that get right through your heart
Here's a place to start
Tu amor, tu amor, I will always be
Tu amor, tu amor, means the world to me
Estare siempre en mi corazon
You're the one in my soul that I live for
Tu amor, tu amor
Mi amor, love you more with each look in your eyes
Maybe these simple words will you best, best describe
What I feel in my heart, what I feel for all times
How to make you see, how to let you know
How to say, how to say how I need you so
With words you understand
Words that get right through your soul
Words that let you know
Tu amor, tu amor, I will always be
Tu amor, tu amor, means the world to me
Estare siempre en mi corazon
You're the one in my soul that I live for
Tu amor, tu amor
You're the one that I need in my arms
Believe me these words I say
Are words that come straight from my heart
How can I make you believe
Nothing else seems as much as what you mean to me
Tu amor, tu amor
Tu es la unica en mi alma
Yo te quiero te adoro
Tus labios tus ojos mi amor
Tu amor, tu amor, I will always be
Tu amor, tu amor, means the world to me
Estare siempre en mi corazon

You're the one in my soul that I live for
Tu amor, tu amor...
Yo te quiero te adoro mi amor
Estare siempre en mi corazon
Yeah, just like that
