

Damaged (Global Factory Mix Club Mix)

Danity Kane

Do-do you got a first aid kit handy
Do-do you know how to patch up a wound tell me,
Are you patient, understanding?
Cause I might need some time to clear the hole in my heart and I
I've tried every remedy and nothing seems to work for meBaby, this situation's driving me crazy
And I really wanna be your ladyBut the one before you left me so damaged (damaged) damaged (damaged)
I thought that I should let you know
That my heart is damaged (damaged) so damaged (so damaged)
And you can blame the one beforeSo how you gonna fix it, fix it, fix it
How you gonna fix it, fix it, fix it (Baby I gotta know, what are you gonna do)So how you gonna fix it, fix it, fix
