

# The Dark Watcher

## Burning Image

What's it going to be like when they take you home?  
Will they be disgusted?  
No one wants to know of your big mistake  
See their disappointment That is why I am here  
To make sure that you don't feel  
Like you've done something wrong  
I am here to protect you. What's it going to be when you can't leave home?  
Cause you'll make them worry  
Better think again if you want to go  
Because I won't let you That is why I am here  
To make sure you leave this life  
Come to me and you'll see, I will make this easy  
Why, live this lie?  
When I feel that it's just not worth it  
I've had enough of this life  
Will you help me end it?
