

# Slowly Surely

Jill Scott

Slowly, surely, I'll walk away from  
That old desperate and tainted love  
Caught up in a maze of love, the crazy, crazy love  
Thought it was good, thought it was real  
Thought it was, but it wasn't love  
I just don't know where I should go?  
So, slowly, surely, I'll walk away from  
Self-serving, undeserving, 'constantly hurting me' love  
Deserting me love, you said, I said, we said  
But, slowly, surely, I'll walk away from  
Confusing love, misusing love, abusing love  
This can't be

Slowly, surely, I'll walk away from  
Self-serving, undeserving, 'constantly hurting me' love  
I just don't know where I should go, no  
I just don't know, know, know, know  
Where I should go  
So, slowly, surely, I'll walk away from

That old desperate and dazed love  
Caught up in the maze of love, the crazy craze of love  
Thought it was good, thought it was real  
Thought it was but it wasn't love  
I just don't know where to go  
So, slowly, surely, I'll walk away from  
I'll walk away from  
Slowly, surely, I'll walk away from love  
Lonely, surely one step at a time  
But surely, I will pass the old love aside  
And love me

Slowly, surely, I'll walk away from  
Slowly, surely, I'll walk away from 'desperating days' love  
'Caught up in the maze' love  
Crazy, crazy, crazy love  
Slowly surely, I'll walk away from  
Slowly surely, I'll walk away from  
Slowly surely, I'll walk away from
