

H.I. Double L. (Featuring B-Legit And Celly Cel)

E-40

Hey ah, which way should I steer ah
The beat keeps knockin' down my rear view mirror
Pervin' like a mothafucka swervin'
Hope I don't scrub in my '95 Suburban
To go throughout the community squattin on gold tippy toes
Peep, breathin' on Indian cigarette-Ganish Bidi posin' niggas tweak
Quick fast and a hurry don't worry 40 vision blurry
Shorty hit the freeways climbin like that nigga Joe Torre What do you know it's siggity Cel
That funky niggao that funky nigga doe
Kickin' in doors you beta grab ya hoe
I see ya cruisin' in the late night
Creepin' wit my nigga B-Legit and 40 water, ah shit
We're here-we're there-we're everywhere
Highly intox-icated but we don't care
I'm from the H.I.L.L. the place where my niggas bell
A mack muthafuckin 12 will send your ass straight to hell
A tick a tock, the shit da spot
They say them crazy muthafuckas pull out a chop
I watch them muthafuckas run
I do this shit for fun
You niggas know you can't get none
Biatch I'm from the V.A.L.L.E.J.O
H.I.L.L side doe
Spittin straight game is all a nigga know and ahh
And they be like (there they go, off to the liquor store) I tell a bitch what the fuck you mean where I've been
And so what I smells like pussy and gin
I had money to make
Bitches to break and if the shit was out of line I had lives to take
I told you from the gate that I'm a mobster
Sippin DP eatin' lobster
Don't get it confused you won't get abused
As long as you makin' me them revenues
That miggity mack, that diggity dang and that niggity nut
Jump in the back of my cut with a tramp slut and hit the gut
Ain't got no love for 'em all I love to do is dick 'em
Pass 'em to the extra mannish nigga 40 water
If I was Popeye with a ?
You could kiss my big black royal
I'm not funkin' over Oliveoil

Last night I had a superbud in my room
She sucked me till my dick shriveled up like a prun
Well pass the Hussy to the left hand side
So I can bend her over hit it from the back and let her ride
You know it's Sick Wid It
Hog gotta put the shake down
Shot her to the left nigga hit me with the break down I'm from the V.A.L.L.E.J.O
H.I.L.L side doe
Spittin straight game is all a nigga know and ahh
