Camp Lo

You need to come inside and check Lo
Relax yourself and let the sugar Lo flow
(Coolie high got you wide)
You need to come inside and check Lo

And shittin' on the crowds 'cause they jive fakin' woody Yeah, tre shots of life for all night you dig it
Camp-ah hotta pinata, too big quiver get hipper
Spillin' coffee inside my automo' aldo
Crackin' satin' and leather, what's happenin' bullet convincer?
Cash straight outta comic, books catchin' the flurry
Keep your eye on the Lo where Mr.'Cause we comin' with hammers and drivers
With the buddahs and rugars and shot cruisers and rovers

With razors and cutters, with the sugar and butters

Dig my harlequinn and drench you with my diner garments From Beva to Bevro in the Montaro slidin' to Dero
With bottles of Asti Spumanti to tranquilize my heaven

 See back in coolie high jack and jitterbugs and
 Dolemite's outta site anti-hatahs cats in the city

 Billy holidayin' the Foxy Browns with my harlequinns
 Penny he repellin' reflected crystals is HollywoodDon't pull the stars
 'Cause we lickin' Cuban cigars and sippin' moe
 Playin' the jigga cotton and the figgas on the Lo and Lo
 Blessin' the dimes, keepin' my camp is on the higher flow
 Livin' the crimes hittin' them slide
 For the C-noteYo, president city
 Pourin' right on the JJ's and sautee
