Never Dis the Man

Sanchez

There are lots of signs in life, some that you may not like
You could be living this minute, the next minute you are gone away
Hold up your heads my brothers, be conscious my sisters
And by your works you shall surely be paidNever try fi dis the man with the handle, the one who's got the title
The one who sits high and he looks down low
And if you ever dis the man with the handle, the one who's got the title
Then you will be someone that he don't knowSay a prayer and chant Psalms, prayer a day keep the evil calm
You don't have to go to church or be a Christian to call on Jah name
Shout out tha name Jehovah in the valleys
Shout out tha name Jehovah on the hills
Shout out tha name Jehovah on the plains or even if it rains
Call on the name, call on Jah name the same, call on the name, yeahNever try fi dis the man with the handle, the one who's got the title
The one who sits high and he looks down low
And if you ever dis the man with the handle, the one who's got the title
Then you will be someone that he don't know
listen up time isn't enough, time is short and time is precious
There are lots of signs in life, some that you may not like,
You could be living this minute, the next minute you are gone away
Hold up your head my brothers, be conscious my sisters
And by your works you shall surely be paid
