

Through Osiris' Eyes

Pagan's Mind

The reign of a complex mind
They arrived again
A curse on this vast promised land
Have foreseen the timeMy pace is slowly dying
Foreseen, the priestess crying
A curse, arriving
Fiend mind, infernal quest
Onward, OsirisEyes of Heaven's reign
Rise of the pageant
Sense the mortal truth
Reach eternal life, through Osiris' eyesImmortal empire of this land
Deceived by own men's hands
Gods of supremacy race
Claimed the throne againMy pace is slowly dying
Foreseen, the priestess crying
A curse, come forth
A curse, come forth
Arriving, onwardEyes of Heaven's reign
Rise of the pageant
Sense the mortal truth
Reach eternal life, through Osiris' eyesThe curse has been lifted
Empowered through thousands of years
The gods of high sphere
Constructed by allegiances of far
Carved their name in stoneMy pace is slowly dying
Foreseen, the priestess crying
A curse, arriving
Fiend mind, infernal quest
Onward, OsirisEyes of Heaven's reign
Rise of the pageant
Sense the mortal truth
Reach eternal life, through Osiris' eyesRise of the pageant
Sense the mortal truth
Reach eternal life, through Osiris' eyes
