Dangerous

Thorne Empire

I gotta know
Tell me if I am wrong
You are dangerous
So dangerous
That makes two of us

Something in the night has taken us
I don't know where its pulling us
But I know it's dangerous
I feel it's dangerous
So dangerous
Lets do it again

Show me your soul
I gotta know
Show me your mind
That's what I love
You are dangerous
So dangerous
Dangerous

Nothing is holding two of us
Nothing is holding two of us
The two of us

Something in the night has taken us
I don't know where its pulling us
But I know it's dangerous
I feel it's dangerous
So dangerous
So dangerous
Lets do it again

Show me your soul
I gotta know
Show me your mind
That's what I love
You are dangerous
So dangerous

Dangerous

Nothing is holding two of us
Nothing is holding two of us
The two of us
