We're Dancing

P.Y.T.

When the going starts to get rough
And you feel like you've had enough
Let the music take control of your soul
Take a chance and do what you feel
You're a force, they can not live without it
You gotta break the chain
Yeah yeahAn inner strength that drives
Can't nobody take that away from you
It's the greatest high
You set the floor on fire
When you come aliveAnd we're dancing
And it feels alright
I can't control my desire
And we're dancing
And it feels alright
Yeah
And we're dancing
And it feels alright
Can't hold me down
Gotta reach for the sky
And we're dancing
And it feels alright
YeahSome people don't know the love you possess
They pretend what they don't understand
It's natural
You're in a world of your own
Oh oh ohThere's a passion inside
An inner strength that drives
Can't nobody take that away from you
It's the greatest high
You set the floor on fire
When you come aliveAnd we're dancing
And it feels alright
I can't control my desire
And we're dancing
And it feels alright
Yeah
And we're dancing
And it feels alright

Can't hold me down
Gotta reach for the sky
And we're dancing
And it feels alright
YeahPush it to the max
Feel the room fall at your feet
Don't you dare hold back
'Cause it feels so good
It feels alrightThere's a passion inside
An inner strength that drives
Can't nobody take that away from you
It's the greatest high you set the floor on fire
When you come aliveAnd we're dancing
And it feels alright
I can't control my desire
And we're dancing
And it feels alright
Yeah
And we're dancing
And it feels alright
Can't hold me down
Gotta reach for the sky
And we're dancing
And it feels alright
YeahAnd we're dancing
