

# Harder Now That It's Over

Ryan Adams

They slapped 'em on you  
Where that bracelet used to be  
You know, the one I bought in Phoenix  
Where they sell old jewelry  
Well, I was trying to make you angry  
But I didn't feed you to the cops  
When I threw that drink in that guy's face  
It was just to piss you off  
'Cause honey, it's over now  
It's harder now that it's over  
Now that the cuffs are off  
Honey, it's over now  
It's harder now that it's over  
It's harder now that it's over  
Now that the cuffs are off  
And you're free  
You're free, free with a history  
You're free  
You're free, free with a history, oh I heard your wrists got bruised  
Must've felt just like old times  
I wish you would've grabbed the gun  
And shot me 'cause I died  
And I'm nothing now without you  
Yeah, I'm less than nothing now  
I'm the one between the bars  
And lost forever now  
'Cause honey it's over  
It's harder now that it's over  
Now that the cuffs are off  
It's over now  
It's harder now that it's over  
Harder now that it's over  
Now that the cuffs are off  
And you're free  
You're free, you're free, free with a history  
You're free  
You're free, you're free, free with a history, oh I'm sorry  
I'm sorry  
Honey, I'm sorry
