

More Than I Can Take

King King

When it crashes down and the water is too muddy to see
Aint no angel called to put a under me
When your head comes up and you finally got a chance to breath
Gotta open your eyes to the faithful lies
Everybody's gotta believeOooh ooh ooohoooooh
I can tell you babay,
Oooh ooh ooohoooooh
cause this is just more than I can take
Oooh ooh ooohoooooh
I can tell you babay,
Oooh ooh ooohoooooh
cause it's just more than I can takeWhen they put you down and nobdy cares where you've been
I can tell by your eyes that you have aint seen what I have seen
So who are you to judge with your little black smile of hate
Now I am justified gotta leaving behind gotta sand in line and waitOooh ooh ooohoooooh
I can tell you babay,
Oooh ooh ooohoooooh
cause this is just more than I can take
Oooh ooh ooohoooooh
I can tell you babay,
Oooh ooh ooohoooooh
cause it's just more than I can takeStand in line use my time
Cause it's just more than I can take
Stand in line use my time
Cause it's just more than I can takeOooh ooh ooohoooooh
I can tell you babay,
Oooh ooh ooohoooooh
cause this is just more than I can take
Oooh ooh ooohoooooh
I can tell you babay,
Oooh ooh ooohoooooh
cause it's just more than I can takeOooh ooh ooohoooooh
I can tell you babay,
Oooh ooh ooohoooooh
cause this is just more than I can take
Oooh ooh ooohoooooh
I can tell you babay,
Oooh ooh ooohoooooh
cause it's just more than I can take
