

The Glory Of Love

Jimmy Durante

You've got to give a little, take a little
And let your poor heart break a little
That's the story of, that's the glory of love You've got to laugh a little, cry a little
Before the clouds roll by a little
That's the story of, that's the glory of love As long as there's the two of you
You've got the world and all its charms
And when the world is through with you
You've got each other's arms You've got to win a little, lose a little
And always have the blues a little
That's the story of, that's the glory of love As long as there's the two of you
You've got the world and all its charms
And when the world is through with you
You've got each other's arms You've got to win a little, lose a little
And always have the blues a little
That's the story of, that's the glory of love
That's the story of, that's the glory of love
