

If Everyone Cared

KIDZ BOP Kids

From underneath the trees, we watch the sky
Confusing stars for satellites
I never dreamed that you'd be mine
But here we are, we're here tonightSinging Amen, I'm alive (I'm alive)
Singing Amen, I'm aliveIf everyone cared and nobody cried
If everyone loved and nobody lied
If everyone shared and swallowed their pride
Then we'd see the day when nobody died
And I'm singingAmen I, Amen I, Amen I, I'm alive
Amen I, Amen I, Amen I, I'm aliveAnd in the air the fireflies
Our only light in paradise
We'll show the world they were wrong
And teach them all to sing alongSinging Amen, I, I'm alive (I'm alive)
Singing Amen, I, I'm aliveIf everyone cared and nobody cried
If everyone loved and nobody lied
If everyone shared and swallowed their pride
Then we'd see the day when nobody died
If everyone cared and nobody cried
If everyone loved and nobody lied
If everyone shared and swallowed their pride
Then we'd see the day when nobody diedAnd as we lie beneath the stars
We realize how small we are
If they could love like you and me
Imagine what the world could beIf everyone cared and nobody cried
If everyone loved and nobody lied
If everyone shared and swallowed their pride
Then we'd see the day when nobody died
If everyone cared and nobody cried
If everyone loved and nobody lied
If everyone shared and swallowed their pride
Then we'd see the day when nobody diedThen we'd see the day, we'd see the day
When nobody died
Then we'd see the day, we'd see the day
When nobody died
Then we'd see the day when nobody died
