

# Outsiders

## Against the Current

[Verse 1]

Outside we're lonely but we are free  
We're misfits, rebels, we're creeps and freaks  
How come they've got it figured out  
Well we're lost, waiting to be found  
Maybe we need something different now[Pre-Chorus]  
For every broken bone and every lie you've told  
Every time you're lost and you can't find hope  
This is for the ones who always feel alone[Chorus]

We are outsiders

Living inside a broken world

We are outsiders

And I know sometimes it can hurt  
But it gets better yeah we'll make it through  
We'll stay golden when we're black and blue

We are outsiders

But we're not hiding anymore  
This is who we really are[Verse 2]  
Inside the dark about all the plans  
Must be nice to have someone light your path  
But inside their hearts are breaking  
Cause they don't know what they're missing  
Outside we're lonely but we are free[Pre-Chorus]  
For every broken bone and every lie you've told  
Every time you're lost and you can't find hope  
This is for the ones who always feel alone[Chorus]

We are outsiders

Living inside a broken world

We are outsiders

And I know sometimes it can hurt  
But it gets better yeah we'll make it through  
We'll stay golden when we're black and blue

We are outsiders

But we're not hiding anymore  
This is who we really are[Bridge]  
For every broken bone and every lie you've told  
Every time you're lost and you can't find hope  
This is for the ones who always feel alone[Chorus]

We are outsiders

Living inside a broken world  
We are outsiders  
And I know sometimes it can hurt  
But it gets better yeah we'll make it through  
We'll stay golden when we're black and blue  
We are outsiders  
But we're not hiding anymore  
This is who we really are
