Double Standard Boys (Demo)

Channel 3

Get herOrphan mother how will you feed your kids
One burst of passion and your life hit the skids
Dropped out at sixteen and you work everyday
Their father's got a girlfriend, went surfing todaySex has nothing to do with love
Only one night and you know because
Double standard boys want more and more
Girls catch the fever and we call them whores
Used to have dreams of love and romance
Torn dress when you got home from the dance
Now you realize the truth of your fears
Now your dreams get washed away with your tearsSex has nothing to do with love
Only one night and you know because
Double standard boys want more and more
Girls catch the fever and we call them whoresJust trust me, I'll be kind, you need it, you're so blind
Get herDon't you understand the rules of our game
Who are you, I can't remember your name?
You feel betrayed and nobody cares
But who ever told you that life was fair
Sex has nothing to do with love
Only one night and you know because
Double standard boys want more and more
Girls catch the fever and we call them whores
