Feeding Evil

Sebadoh

Fooled in subtle majesty
A truer lonely blue inside
Some friends are safe to live behind
Giving peace enough to hide behindNeedlessly weak, a waste in real time
Grow from selfish little boy to feeding evil little man
Some friends never understand
Weaker friends dont deserve your handStretch it deeper til you cry
Wisdom kills me open wide
See beneath our simple play
This wisdom kills me every timeA truer beauty deep inside
Justice of the darker kind
