Scratch That Itch

Ratt

You say that you've got nothing to lose
You've got that hunger, honey, you gotta feed it
Just open wide, I'll take a bite outta you
'Cause I'm ready, are you ready?Love's like a bug that you catch in a snatch
I'm here to treat it, baby, you know you need it
You gotta rash and now your hearts gotta scratch
Are you ready? Yes, I'm ready?You know what I'm tryin' to say
Let's put it this wayScratch, we scratch that itch
C'mon, scratch, we scratch that itch, honeyI'll be the doctor and I'll give you the cure
For this infection, I'm your injection
I'll heal what ails ya honey, that's for sure
Are you ready? Yes, I'm readyYou know what I'm tryin' to say
Let's put it this wayScratch, we scratch that itch
C'mon, scratch, we scratch that itch, honeyAny night or any day
I'll be there right away toScratch, we scratch that itch
C'mon, scratch, we scratch that itch, honey
C'mon, scratch, we scratch that itch
C'mon, scratch, we scratch that itch, honeyYa
