Where Angels Fell (Album Version)

Stutterfly

I close my eyes
Feel shadows swell
Close my eyes
Feel shadows swell
See prayers die
Where angels fell
Close my eyes
Feel shadows swell in MeHold me in your arms
As the tears flow
Promise me and say
I won't go
I won't go
I won'tNew sunshine
Darkness is gone(Darkness)
New sunshine and darkness gone
Fear is torn light is reborn
New Sunshine the darkness is gone in MeHold me in your arms
As the tears flow
Promise me the same
I won't go
I won't go
I won'thold me in your arms
as the tears flow
Promise me and say
I won't go
I won't go
I won'thold me in your arms
as the tears flow
Promise me and say
I won't go
I won't go
I won'thold me in your arms
as the tears flow
Promise me and say
I won't go
