

Walk In Fire

Doves

Seems, seems there's nothing
That you couldn't do with a drink inside of you
Is there nothing you'd not do
With a drink in you?
I've always known that you felt the pain
And it had to start to show
It'd driven you insane, I could lie
But I can't 'cause you know it's so
You tell me, you say
I walk in fire, you walk in fire
You're not free till you
Walk in fire, I walk with fire, I walk in fire
You've always been a loose cannon gone
And the way you were back then, you'd take on anyone
It takes years to accept it all and to be yourself
Well, you tell me, you say

I walk in fire, you walk in fire
Well, you're not free till you
Walk in fire, walk with fire, you walk with fire
On and on and day by day
We fool ourselves, we ain't the same
Everyone who stayed away
Man, I always felt your pain
On and on I tell myself
We fool ourselves, we ain't the same
And everyone who stayed away
Man, I always felt your pain
You tell me, you said
You walk in fire, you walk in fire
You're not free till you
You walk in fire, walk with fire, fire, don't walk in fire
