

You Spin Me Right Round

[Marilyn Manson](#)

I, don't wanna know you name
But I do want your private number baby All I know is that to me
You look like you're lots of fun
Open up your lovin' arms
I want some, want some I set my sights on you
(And no one else will do)
And I, I, I, I got to have my way now baby All I know is that to me
You look like you're lots of fun
Open up your loving arms
Watch out here I come You spin me right round, baby right round
Like a record, baby right round round round
You spin me right round, baby right round
Like a record, baby right round round round I, don't wanna be your friend now baby
But I wanna move it just a little bit closer All I know is that to me
You look like you're lots of fun
Open up your loving arms
Watch out here I come You spin me right round, baby right round
Like a record, baby right round round round
You spin me right round, baby right round
Like a record, baby right round round round All I know is that to me
You look like you're lots of fun
Open up your loving arms
Watch out here I come You spin me right round, baby right round
Like a record, baby right round round round
You spin me right round, baby right round
Like a record, baby right round round round
