

# Strangers In the Night

Frank Sinatra

Strangers in the night  
Exchanging glances  
Wondering in the night  
What were the chances  
We'd be sharing love  
Before the night was through?  
Something in your eyes  
Was so inviting  
Something in your smile  
Was so exciting  
Something in my heart told me I must have you  
Strangers in the night, two lonely people  
We were strangers in the night  
Up to the moment when we said our first hello  
Little did we know  
Love was just a glance away, a warm embracing dance away  
And ever since that night  
We've been together  
Lovers at first sight  
In love forever  
It turned out so right  
For strangers in the night  
Love was just a glance away, a warm embracing dance away  
Ever since that night  
We've been together  
Lovers at first sight  
In love forever  
It turned out so right  
For strangers in the night  
Doo-bee-doo-bee-doo  
Doo-doo-dee-dah, dah-dah-dah-dah-dah...
